Professional two-stage belt driven compressor, ideal for heavy and continuous use.

A two-stage three-phase belt driven compressor designed for intensive use by professionals, it is equipped with a 4 hp pumping unit with highly efficient operation cast iron cylinders with large manifolds for better cooling and robust metal belt covers protecting moving parts. The 90-litre compact tank for a large air supply, two large wheels and two pivoting wheels, and the convenient full-length, angled handle guarantee stability and ease of handling.
