

**SILBOX-PRO 30 AP T7,5**

## Professional silenced two-stage belt driven compressor, compact and robust.

Compact and robust professional silenced high pressure compressor with a powerful, highly reliable 7.5 hp pumping unit. Suitable to be placed close to the application because it is very quiet. Equipped with an electronic card for self-diagnosis and control. It is also equipped with an additional intake silencer, a forced fan for better cooling and a pulsation dampening tank with condensate drain.
