

DR.SONIC 320-50V-ES-3M

## MedicAir oilless compressor, designed for dentists and laboratories.

Compressor designed for the dental and dentistry sector, as the compressed air produced is oil-free thanks to oil-free compression, condensate-free thanks to the dryer and odourless thanks to the internal treatment of the storage tank. Ideal for 3/4 dental units, it is equipped with a powerful and reliable 3 hp ‘V’ pumping unit with soundproof cover, a dual-column dryer and a compact, space-saving 50 litre tank that is also internally coated to prevent oxidation, with a double handle for easy handling.

### TECHNICAL DATA
